## SPECIAL EDUCATIONAL NEEDS AND DISABILITY POLICY

**SENDCo: Miss S Gooding**  
**[sgooding@leagraveprimary.co.uk](mailto:sgooding@leagraveprimary.co.uk)**

Document Status	
Author	S Gooding
Date of Origin	2015
Revised	September 2021
Version	6
Review requirements	Annually
Date of next Review	September 2022
Approval Body	Governing Body
Publication	School Website/ Staff Pack

This Policy must be reviewed annually.

### **STATUTORY**

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations

# Leagrave Primary School

## Special Educational Needs and Disability Policy

### **1. Our Ethos**

At Leagrave Primary school, we have high expectations of our pupils and are committed to ensuring that everyone has the opportunity to fulfill their potential. The achievement, attitude and well-being of every child is paramount, with inclusion being the responsibility of everyone within our school. Every teacher is a teacher of every pupil, including those with special educational needs and disabilities. We respect, value and celebrate the unique contributions of all our pupils, ensuring that the child's needs are at the centre of any decision making.

### **2. Legislation and Guidance**

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

[Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEN and disabilities

[The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the SEN information report

### **3. Definition of SEN and Disability (SEND)**

At our school we use the definition for SEN and for disability from the SEND Code of Practice (2014). This states:

*SEN: A child or young person has special educational needs if he or she has a learning difficulty or disability which calls for special educational provision to be made for him or her.*

- *A learning difficulty or disability is a **significantly greater difficulty in learning than the majority of others of the same age.***
- *Special educational provision means **educational or training provision that is additional to, or different from, that made generally for others of the same age in a mainstream setting in England.***

*Disability: Many children and young people who have SEN may have a disability under the Equality Act 2010 – that is **'...a physical or mental impairment which has a long-term and substantial adverse effect on their ability to carry out normal day-to-day activities.'***

### **4. Key Roles and Responsibilities**

The SENDCO has day-to-day responsibility for the operation of SEND policy and co-ordination of specific provision made to support individual pupils with SEND, including those who have EHC plans. The SENDCO is **Miss S Gooding**.

SEN Governor: The SEN governor is **Mrs C Morris**. She has responsibility for monitoring policy implementation and liaising between the SENCO and the Governing Body.

Designated Safeguarding Lead (DSL) The Inclusion Manager, **Mrs D Bastin**, has specific responsibility for safeguarding and is the DSL.

### **5. Aims and Objectives**

#### Aims

At Leagrave, all pupils regardless of their particular needs, are provided with inclusive teaching, which will enable them to make the best possible progress in a valued, wider school community. We expect that all pupils with SEND will meet or exceed the high expectations we set for them against national data and based on their age and starting points. We will use our best endeavours to give pupils with SEND the support they need, whilst having access to a broad and balanced curriculum. Working in partnership with families and other professionals, it is our aim that pupils will become confident individuals, able to make a successful transition on to the next phase of their education.

# Leagrave Primary School

## Special Educational Needs and Disability Policy

### Objectives

- To ensure a clear process for identifying, assessing, planning, providing and reviewing for SEND pupils with the pupils and their parents/carers at the centre.
- To develop effective whole school provision management of support for pupils with special educational needs and disabilities, ensuring good or better progress.
- To deliver training and support for all staff working with pupils with SEND in order to develop our practice within the guidance set out in the Code of Practice, July 2014.

### **6. Identification of Needs**

The identification of SEND is embedded in the whole school process of monitoring the progress and development of all pupils. We recognise the benefits of early identification and making effective provision, to ensure the long-term outcomes for children with SEND are improved. The purpose of identification is to work out what action the school needs to take, not to fit the pupil into a category. It is also important to identify the full range of needs, not simply the primary need of an individual pupil. The Code of Practice refers to four broad areas of need:

#### Communication and Interaction:(C&I)

These children have difficulty communicating with others. This may be because they have difficulty saying what they want to, understanding what is being said to them or they do not understand or use social rules of communication. For example, children with Autistic Spectrum Disorders (ASD), including Asperger syndrome, are likely to have particular difficulties with social interaction. They may also experience difficulties with language, communication and imagination, which can impact on how they relate to others.

#### Cognition and Learning:(C&L)

Children with learning difficulties learn at a slower pace than their peers, even with appropriate differentiation. Learning difficulties cover a wide range of needs from moderate learning difficulties (MLD) to children with profound and multiple learning difficulties (PMLD). Specific learning difficulties (SpLD), affect one or more specific aspects of learning, such as dyslexia, dyscalculia and dyspraxia.

#### Social, emotional and mental health difficulties:(SEMH)

Children may experience a wide range of social and emotional difficulties which manifest themselves in many ways. These may include becoming withdrawn or isolated, as well displaying challenging, disruptive or disturbing behaviour. These behaviours may reflect underlying mental health difficulties such as anxiety or depression, self-harming, eating disorders or physical symptoms that are medically unexplained. Other children may have disorders such as attention deficit disorder (ADD), attention deficit hyperactive disorder (ADHD) or attachment disorder.

#### Sensory and/or physical needs:(S&P)

Some children require special educational provision because they have a disability which prevents or hinders them from making use of the educational facilities generally provided. Many children with vision impairment (VI), hearing impairment (HI) or a multi-sensory impairment (MSI) will require specialist support and /or equipment to access their learning.

For the purpose of the school census in October, January and May; the school will categorise a child's primary area of need as one of the following:

- Specific learning difficulties (SpLD)
- Moderate learning difficulty (MLD)
- Severe learning difficulty (SLD)
- Profound and multiple learning difficulty (PMLD)
- Speech, language and communication needs (SLCN)
- Social, emotional and mental health (SEMH)
- Autistic spectrum disorder (ASD)
- Visual impairment (VI)
- Hearing impairment (HI)
- Multisensory impairment (MSI)
- Physical disability (PD)
- SEN support' but no specialist assessment of type of need (NSA)

# Leagrave Primary School

## Special Educational Needs and Disability Policy

### **7. A Graduated Approach to SEN Support:**

This is how the school decides whether to make special educational provision:

A process of on-going teacher assessments and termly pupil progress meetings with the leadership team identifies those pupils making less than expected progress given their age and individual circumstances. The school's first response is high quality targeted teaching by the class teacher. Where progress continues to be less than expected, the class teacher will discuss their concerns with the SENDCO.

In deciding whether to make special educational provision, the teacher and SENDCO will consider all of the information gathered from within the school about the pupil's progress, alongside the views of parents/carers and pupil. During this stage extra teaching or interventions may be put in place as a pupil's response to such support can help to identify whether support is required long term and also help identify their particular needs. Particular care is taken when identifying and assessing SEN for children whose first language is not English.

Where pupils have higher levels of need, and with parental permission, the school may seek advice from external agencies. These agencies include:

- Educational Psychology Service (EPS)
- Learning Support Service, including EYFS (LSS)
- NHS: Speech and Language Therapy (SaLT)
- NHS: Pediatric Health team (Edwin Lobo Child Development Centre)
- Magic Words: Speech and Language Therapy
- Behaviour Support Service – New Horizons Behaviour Consultant
- Autism Outreach (SENS team)
- Educational Welfare Team
- Children's Services – Social Care Team
- School Nursing Service
- Child and Adolescent Mental Health Service (CAMHS)
- Play Therapist/Counsellor

If the support needed can be provided by adapting the school's core offer then a child might not be considered SEN or placed on the SEN register. If, however, the support required is *different from or additional to* what is ordinarily offered by the school, the child will be placed on the SEN register at SEN Support.

The school will then seek to remove barriers to learning and put effective special educational provision in place. This begins a cycle of *assess, plan, do, review* with the child/young person at the centre of the process. A SEND support file will be set up and an IEP will be created in response to any completed assessments or observations of the child to target specific needs. These will be reviewed termly. Where a child and family would benefit from co-ordinated support from more than one agency, an Early Help Assessment may be used to identify help required and to prevent needs escalating.

# Leagrave Primary School Special Educational Needs and Disability Policy

## **The four part cycle: the graduated approach**

**Assess:** We will ensure that we regularly assess all pupils' needs so that each child's progress and development is carefully tracked compared to their peers and national expectations. We will listen to the views and experience of parents/carers and the pupil. In some cases we will draw on assessments and guidance from other education professionals e.g. Educational Psychologists (EP) and from health and social services.

**Plan:** Where SEN Support is required the teacher and SENCO will put together a plan outlining the adjustments, interventions and support which will be put in place for the pupil as well as the expected impact on progress and outcomes, including a date when this will be reviewed. Targets for the pupil will be shared with her/him using child friendly language and with parents/carers. All staff who work with the pupil will be made aware of the plan. Some children, who have a high level of need will have a pupil passport outlining their needs and the strategies that work for them.

**Do:** The class teacher is responsible for working with the pupil on a daily basis. She/he will also liaise closely with TAs or specialists who provide support set out in the plan and monitor the progress being made. The SENCO will provide support, guidance and advice for the teacher.

**Review:** The plan including the impact of the support and interventions will be reviewed each term by the teacher, SENCO, parent/carer and the pupil. This will inform the planning of next steps for a further period or where successful the removal of the pupil from SEN Support.

## **8. Parents/carers and pupil involvement in the process**

We believe in a pupil centred approach to information gathering and the cycle of *assess, plan, do, review*. Termly reviews and target setting meetings are planned to coincide with pupil progress meetings and parents' evenings. Targets are shared with pupils and successes are celebrated. Pupils with an EHC plan are invited to contribute to their annual review to share their achievements for the year and aspirations for the future.

## **9. SEN Provision**

SEN support can take many forms. This could include:

- an individual learning programme
- evidence based interventions
- extra help from a teacher or a learning support assistant
- making or changing materials, resources or equipment
- working with a child in a small group
- maintaining specialist equipment
- observing a child in class or at break and keeping records
- helping a child to take part in the class activities
- making sure that a child has understood things by encouraging them to ask questions and to try something they find difficult
- helping other children to work with a child, or play with them at break time
- supporting a child with physical or personal care difficulties, such as eating, getting around school safely, toileting or dressing
- access to a shared nurture group at a local school

## **10. Managing the needs of pupils on the SEND Register**

## Leagrave Primary School Special Educational Needs and Disability Policy

- each pupil with SEND is individual and their individual plan/passport is tailored to meet their particular needs.
- plans are reviewed termly with parents and pupils.
- decisions regarding the level of support provided are needs led, working within the constraints of the school budget.

### The class teacher is responsible for:

- the progress and development of all pupils including those with SEND
- ensuring the plan is implemented in the classroom and wider school curriculum
- regular liaison with parents and the SENDCo
- effective deployment of additional adults or resources
- identifying on planning the provision they are making for pupils with SEND
- supporting the SENDCo in the writing and reviewing of targets for pupils with SEND

### Special Needs Assistants are responsible for:

- ensuring that day to day provision is in place for the pupils they support
- implementing agreed strategies and programmes, and advice from specialists.
- record keeping
- making resources
- maintaining specialist equipment
- regular communication with class teacher and SENCO

### The SENDCo is responsible for:

- the SEND policy and its implementation
- the SEND information report
- co-ordinating support for children with SEND
- updating the SEND register and maintaining individual pupil records
- monitoring the quality of provision and impact of interventions
- attending network meetings, relevant training and updating staff
- referrals to and liaison with outside agencies
- directing TAs with responsibility for SEND
- liaising with and advising staff
- maintaining regular liaison with parents/carers
- co-ordinating annual reviews
- supporting staff in identifying pupils with SEN.
- mapping SEND provision throughout the school
- maintaining links and information sharing with receiving school
- reporting to all stakeholders including SLT and Governors

### Criteria for removing pupils from the SEN Register

When a child has made sufficient and sustained progress towards achieving their personal targets and it is felt that they are able to maintain this with quality first teaching, they may be removed from the SEN register. This is done in conjunction with the family and based on a varied evidence base. The school will continue to monitor pupils recently removed from the register to ensure good progress is maintained.

### **11. Requesting an Educational, Health and Care (EHC) needs assessment**

A small number of pupils, whose needs are complex and long term, may require a greater level of support than that provided at SEN Support from the school's own resources. For these pupils a request will be made to the local authority to conduct an assessment of education, health and care needs. This may result in an Education, Health and Care (EHC) plan being provided. This brings together the child's health and social care needs as well as their special educational needs.

# Leagrave Primary School

## Special Educational Needs and Disability Policy

### **12. Supporting parents/carers and children**

We provide support in the following ways:

- an open door policy for parents/carers seeking support and advice
- termly meetings with teachers regarding personalised plans
- SEND parent workshops available
- SENDCO available to talk with at Parent Consultation Evenings if requested
- Community Education Officer can signpost additional support/information for families
- the dedicated SEN Governor is available as a contact point
- individual arrangements can be made for phased entry into Reception class
- additional time and special arrangements for SATs
- support for transition between classes
- extra transition for vulnerable Y6 pupils transferring to secondary school
- inviting the SENCO of the receiving secondary school to the final Annual Review in year 6.

### **Supporting pupils at school with medical conditions**

- school recognises that pupils with medical conditions should be properly supported so that they have full access to education, including school trips and physical education.
- where it is the case that a medical condition meets the criteria of disability the school will comply with its duties under the Equality Act 2010. *Reasonable adjustments* will always be made to promote access to all areas of the school curriculum for pupils with a disability, eg: an extra adult to accompany a child on a school trips/residentials.
- specific staff have training to support particular needs, eg: technical knowledge to maintain auxiliary aids and equipment or managing diabetes, epi pen training, managing epilepsy
- SENDCo oversees the organisation of the medical register, medicines, risk assessments and health care plans/protocol
- Please also read the separate school policy on Supporting Children with Medical Conditions

### **13. Monitoring and evaluation of SEN**

The Headteacher and the Leadership Team regularly monitor and evaluate the quality of provision for all pupils. The school aims to use interventions in school that have proven outcomes and are evidence based. The impact of SEN provision on the progress and outcomes for children on the SEN register is measured through:

- Year group provision mapping tools
- analysis of pupil tracking data and test results at pupil progress meetings
- progress against national data and based on their age and starting points.
- interventions baseline and exit data
- progress against individual targets
- Learning walks and classroom observations
- pupils' outcomes/books and interviews

The SENDCO maps the SEND provision for each class and costs provision accordingly. This is reported to Governors on a termly basis. Decisions are made as to whether specific interventions are proving to be effective in terms of impact, time spent on them and the finance used in providing them. Each year we review the needs of the cohort and if necessary make changes to our provision.

The SEND Governor is responsible for:

- monitoring the effective implementation of the SEND policy
- liaising termly with the SENDCo regarding provision and progress for children with SEND
- ensuring that pupils with SEND participate fully in school activities and wellbeing is supported
- reporting to the governing body on SEND

### **14. Training and development**

- the SENDCo has or is working towards the National Award for Special Educational Needs

# Leagrave Primary School

## Special Educational Needs and Disability Policy

- training needs are identified in response to the needs of pupils currently on the SEND register.
- a variety of in house, online and external training is made available.
- school staff have some bespoke training to develop expertise around some areas of SEND.
- the SENCO attends network meetings to share good practice with colleagues and keeps up to date with SEND developments.

### **15. Storing and Managing Information**

Pupil records and SEND information may be shared with staff working closely with SEND pupils to enable them to better meet the individual child's needs. We are grateful to parents for their information sharing and openness and respect their confidentiality. Pupil SEND files are kept in a locked filing cabinet. Individual SEN files are transferred in person or by recorded delivery to receiving schools when pupils leave Leagrave. A signed copy of receipt is kept on file.

In line with GDPR, you have a legal right to be informed about how our school uses any personal information that we hold about you. To comply with this, we provide a 'privacy notice' on the school website. This privacy notice explains how we collect, store and use personal data about you. We are the 'data controller' for the purposes of data protection law.

### **16. Reviewing the SEND Policy**

The SEND policy is reviewed annually by the governing body. Next review: September 2022.

### **17. Complaints**

We urge parents/carers with any concerns regarding the SEND policy or the provision made for their child at Leagrave to speak to us as soon as possible. In the first instance, please speak to the class teacher or the SENDCo. If parents/carers feel their child's needs are still not being met they should make an appointment to see the Headteacher. If concerns are still unresolved parents may wish to use the Luton Information, Advice and Support Service for Special Educational Needs and Disability (SENDIASS) or engage with the School complaints procedures.

The parents of pupils with disabilities have the right to make disability discrimination claims to the first-tier SEND tribunal if they believe that our school has discriminated against their children.

They can make a claim about alleged discrimination regarding:

- Exclusions
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

### **18. Access to this policy**

You can get a copy of our policy in a number of ways:

- The school website
- A hard copy on request at the school office
- Let us know if you need this policy to be made available to you in a different format e.g. enlarged font or a language other than English.

### **19. Compliance**

This policy complies with the statutory requirement laid out in the SEND Code of Practice 0–25 (July 2014) and has been written with reference to the following related guidance and documents:

Equality information and objectives  
Supporting pupils with medical conditions  
School SEN Information Report  
The National Curriculum in England  
Safeguarding Policy  
Accessibility Plan  
Teachers Standards  
Admissions Policy  
Anti-Bullying Policy

- [Luton Local Offer Website](#)

### Appendix 2: SEND Referral Process

### Appendix 3a-3d: SEND Referral Forms

### Appendix 4: Inclusion Strategy and Intervention Overview

### Appendix 5: IEP and Pupil Passport Template

## IDENTIFICATION & REFERRAL PROCESS

### Initial Concerns

Observe the child in different situations, consider how the child compares to peers of the same age. Talk to the child about how they feel about their learning.

Talk to parents/carers to find out what he/she is like at home. Check any home visit details. In extreme cases, further home visits may be made.

Check against agreed criteria to help build a clear picture of the child's needs. Collate evidence.

Talk to the SENDCo and share concerns. Informal observations may be completed by SENDCo at this stage. Discuss possible strategies to remove barriers.

Make reasonable adjustments to ensure high quality provision and remove any obvious barriers. Review progress.

### Referral

Any member of staff can complete a referral form raising concerns about a child's learning, progress or well being.

Referrals are passed to the Inclusion Manager or SENDCo.  
**Parents are made aware that a referral has been made internally.**

Referrals are discussed fortnightly by the Core Inclusion Team (CIT); Deputy Head/SENDCo & Inclusion Manager.

Previous referrals are reviewed at the meeting and follow up actions are agreed.

Child Protection referrals are passed directly to the Designated Safeguarding Lead.

### Investigate & assess - recommendations by CIT

The Core Inclusion Team gather and discuss information to understand the concerns raised - including previous involvement with other professionals.

Where possible further observation and a discussion with the child takes place. Checklists and criteria can be referred to support any judgements.

Achievement, progress and well being underpins all decision making. Diagnostic assessments are completed as required.

The Core Inclusion Team will make recommendations and record any actions with time scales. Minutes of meetings and updates are circulated to SLT.

Recommendations/ actions are passed back to the class teacher via the referral form.  
**Parents are kept informed of any actions or next steps via the classteacher.**

### Implement & Review

Relevant staff are presented with an outline of the issues and recommendations, so any actions can be completed in an agreed time frame.

Recommendations may include advice, class based strategies, interventions or refer to an outside agency.

At the fortnightly C.I.T meeting, all previous referrals will be reviewed and rag rated. Further recommendations will be made as appropriate.

Where recommendations have been successful, children will be dis-charged from the C.I.T agenda, but can be re-referred at any time. **Parents are informed.**

If interventions are not effective, children may be added to the SEN register for ongoing support or referred to other agencies for external intervention. Parents are informed.

**Legrave Primary School**  
**Early Years SEND Referral**

**To be completed by referrer and passed to SENDCo**

Name of child:	DOB:	Class:
Referred by:	Date of referral:	Ethnic Origin:
Attendance:	Reading Age:	Spelling Age:
Other Agencies involved:		IEP in place: Yes/No

**Reason for referral if known:**

Language and Communication		Social, Emotional and Behavioural	
Cognition and Learning		Physical and Sensory	

**Particular support needs displayed by the child:**

<b>Additional support needs may be indicated if the child:</b>	<b>Tick</b>	<b>Look at descriptors for further guidance</b>	<b>Further Comments</b>
Is working at a developmental matters band below		Learning needs C&I needs	
Tracking shows progress not being made within development band		Learning needs C&I needs S&P needs	
Has a known difficulty or impairment that may impact on his/her learning		As appropriate to the identified difficulty/impairment	
Is showing withdrawn or anxious behaviour and/or a lack of self confidence		Learning needs SEMH needs C&I needs Sensory needs	
Is having difficulty in making relationships and interacting appropriately/meaningfully with others		Learning needs SEMH needs C&I needs Sensory needs	
Has difficulty in sequencing events and tasks		Learning needs C&I needs	
Appears not to listen/respond to questions or instructions		C&I needs Hearing needs SEMH needs	
Has limited use of spoken language to communicate meaning		C&I needs Hearing needs	
Finds it difficult to learn within a group that is age/stage appropriate		C&I needs Sensory needs SEMH needs	
Finds it challenging to learn when activities are unstructured		C&I needs SEMH needs C&L needs Sensory needs	

Has difficulty in following instructions or joining in activities that are dependent		Hearing needs C&I needs	
Has difficulty in seeing fine work, eg picking out detail in pictures		Visual needs	
Has difficulty in managing his/her body to move confidently		Physical needs Learning needs	
Has difficulty in using hands for fine motor movements		Physical needs Learning needs	
Has a need to seek or avoid sensory stimuli that impacts on his/her own or others' learning		Physical needs C&I needs Sensory needs SEMH needs	
<u>Any other concerns/observations</u>

# LEAGRAVE PRIMARY SCHOOL INCLUSION STRATEGIES & INTERVENTION

An outline of strategies and interventions used by the Core Inclusion Team in school to break down barriers to learning, improve learning behaviours and support pupil well-being in order to accelerate progress.  
External referrals can still be made alongside these interventions.

PHOTO OF PUPIL

Leagrave Primary School  
PUPIL PASSPORT

Name: XXXXXXXXXXXX Class: XXXXX

Teacher: XXXXXXXXXXXXXXXX

About me:

My main area of need is:

- Understanding and processing learning
- How I behave around others

I like:

- playing outside
- drawing/sensory tasks
- eating

I don't like:

- being told 'no'
- people getting close to me
- writing

I need help with:

- following instructions
- using kind hands
- staying focussed

Three things that people like about me are:

- I am always smiling
- I am enthusiastic
- I like coming to school

What helps me learn?

1. Familiar rules and routines - visual timetable with one to one guidance - when to do next - lots of praise
2. Modelling step by step - MTTT - visual and verbal
3. Firm boundaries - use of time - when physical incidents occur - SLT to be notified

What stops me learning?

1. If too many people are talking to me at once
2. If people are too close to me
3. If I am hijacked by something - often I don't know why I am anxious

I'm working towards:

1. Following familiar routines independently
2. Focussing on an activity for 1 minute independently
3. Recognizing phase 2 letters and sounds
4. Matching numbers to amounts (0-10)
