'STRIVING FOR EXCELLENCE, LEARNING FOR LIFE'

Thursday 7th May 2026

Year 5 Extended Learning

Dear Parent/Carer,

We are writing to inform you, that in order to further support your child as they prepare to move into Year 6 in September we are organising Extended Learning sessions commencing **Tuesday 2nd June**, immediately after school. The extended learning sessions will run every Tuesday during Summer Term 2.

The sessions are designed to support children in small groups and focus on key skills to support these individual groups. These are targeted Maths or Reading sessions that are very important for all children in Year 5 and we hope that you will endeavour to ensure that he/she attends regularly.

We would strongly urge all children to be collected at 4.45pm, however if you would like your child to walk home please indicate on the form below. **Please note in order to ensure pupils safety at all times, children are not permitted to wait for their parents at the school gates** and must be collected from the reception or have permission to walk home.

If you have any queries on this matter, please do not hesitate to contact your child's teacher.

Yours sincerely,

Debbie Egbaran
Senior Assistant Headteacher
