'STRIVING FOR EXCELLENCE, LEARNING FOR LIFE'

Friday 5th June 2026

Dear Parents and Carers,

Re: Social Development - Year 6

Part of the Year 6 curriculum this half term covers the topics of puberty, hygiene, reproduction, growth and relationships. These sessions will be delivered by the class teachers during school time and much of the work covered will be taught through a series of educational videos, followed up by discussions and worksheets.

We are aware of religious and cultural beliefs and will respect these during our teaching. The resources have been used year after year, but if you wish to discuss any concerns about this topic please contact the school to speak with Mrs Egbaran.

All children are expected to attend all sessions. However, if you wish to withdraw your child from the reproduction lesson, you will need to inform the school in writing before Friday 3rd July. The session will be held on Friday 10th July.

Yours sincerely,

Miss Monaghan
Year 6 Class Teacher
