Total amount of PPG received academic year	£207,564 + b/f FROM PREVIOUS YEAR £10,001 = £217,565

SUMMARY OF PPG SPENDING ACADEMIC YEAR Sept 2019 – Aug 2020

Objectives in spending PPG:

1. To improve consistency in approach of teaching and learning across the school, resulting in raised attainment
2. To improve consistency in approach of teaching and learning across the school, resulting in improved levels of progress
3. To improve resourcing in literacy and numeracy, particularly in reading
4. To improve achievement and participation for disadvantaged pupils
5. To close the gap between levels of attainment and National Expectations, for disadvantaged pupils
6. To remove barriers to learning for disadvantaged pupils, resulting in raised attainment and improved levels of progress

Activity	Purpose	Cost	Impact/Outcome
Teaching and learning consultants for English and Maths. Home Tuition 1:1	1,2,3,4,5,6	£51,056	All teachers will develop more effective practice, resulting in improved attainment for all pupils. Planning and teaching continues to be developed in literacy and mathematics. Improved monitoring structures have been implemented focusing on areas for improvement Strategies/approaches have been demonstrated and observed ensuring consistency of approach across the school. 1:1 Home tuition for targeted pupils improved their confidence to approach tests. All made expected progress with some exceeding their expected targets.
Staff training / Continuous Professional Development	1,2,3,4,5,6	£9,223	Training and professional development improves the skill set of teaching and support staff, enabling them to provide stimulating and challenging lessons for all children.
Booster classes / extended school day	1,2,3,4,5,6	£15,308	Additional intervention and support for those children in year 6 needing to make accelerated progress, in order to meet targets and make better than average progress.

Year 1 phonics intervention staff	4,5,6	£10,259	Additional intervention for identified groups of pupils in phonics. A higher proportion of pupils reach national levels in Year 1 phonics test.
Additional teaching staff	1,2,3,4,5,6	£30,188	The gap between actual levels and expected outcomes in literacy and numeracy will be lessened for CiC. To support children with barriers to learning. To enable year six to work in smaller groupings, supporting behaviour and teaching and learning therefore enhancing progress in all areas. To enable year five to work in smaller groupings, supporting behaviour and teaching and learning therefore enhancing progress in all areas. To close the gap in maths for those identified as not making satisfactory/good progress from KS1.
Higher Level Teaching Assistants	4,5	£50,815	Additional intervention and support for those children needing to make accelerated progress in order to meet targets and make better than average progress.
Staff for extra - curricular activities	4,6	£5,912	Before and after school clubs at no cost to pupils, to enhance pupil engagement. Achievement and participation will improve for disadvantaged children.
Provision of milk and fruit for KS2 pupils, healthy refreshments for pupils in booster class, hygiene items for pupils, Mock SATS breakfast	6	£7,208	Fruit provided for all pupils as one of their 'five a day' – a good source of nutrients to contribute towards a healthy, balanced diet to encourage healthy eating habits into later life. Milk is provided in line with DFE school food standards. This boosts their calcium intake and increases hydration levels, improving their ability to concentrate and learn. Refreshments provided during booster classes to aid energy and concentration. Personal hygiene items results in improved wellbeing and personal awareness.
Provision of uniform	6	£3,285	To provide pupils with appropriate uniform (uniform package given to those children in receipt of FSM/CiC).
Christmas 2019 events. Bought in productions. Website safety advice.	4,6	£5,200	Improved achievement and participation for disadvantaged children. To enhance life experiences for all pupils.
