'STRIVING FOR EXCELLENCE, LEARNING FOR LIFE'

Tuesday 1st March 2022

EXCITING NEWS ABOUT SCHOOL MEALS

Dear Parent/Carer.

With effect from the end of this Spring term we say goodbye to Aspens Catering and thank them for their catering service over the last three years.

We are excited to announce that with effect from our return to school after the Easter holidays on 19th April 2022, our new in-house school meals service will be launched, so it's a big welcome to "Leagrave Lunches".

We will continue to provide a variety of nutritious food to our pupils and aim to introduce some amazing new options in the months ahead.

Parents/carers will find it much easier to order a meal for their child as the 'school dinner' option will now simply be an additional item on your Scopay log in. Please remember, your dinner money account must be in credit before you are able to order a meal.

Ordering a meal for your child will continue to be possible up to 24 hours in advance.

Parents and carers will be aware that the price of a school meal has been held at £2.05 for over 4 years. Unfortunately, due to increased food and production costs, it will be necessary to increase the price to £2.30 per meal with effect from 19th April 2022.

A reminder to parents of children in years R,1 and 2 that your child is entitled to a Universal Infant Free School Meal.

An instruction guide on how to order and pay for a meal is attached.

Yours sincerely

Mrs E Gillespie
Headteacher
