Headteacher's Corner

Dear Parents/Carers,

A huge congratulations to all of our Year 6 pupils! You have officially finished your SATs, and we could not be prouder of every single one of you. You showed up every day with focus, you stayed calm, tackled tough questions and you supported your classmates through it all. We hope you enjoyed your Go Bowling treat today.

I would also like to say a huge thank you to all the staff across the school, who have worked hard to prepare and support all of our children.

Our last day of this half term is next Friday 22nd May. We hope that you have a lovely half term and look forward to seeing the pupils back in school on Monday 1st June.

Kind regards,

Mrs E Gillespie
(Headteacher)

Year 4 children will be sitting their Multiplication Tables Check on the week beginning 1st June. The purpose of the **MTC** is to make sure that times tables knowledge is at the expected level.

Please continue to support your Year 4 child by making the necessary time to complete their Times Table Rock Stars regularly over the next few weeks.

Sarah Owen MP Visit

On Friday 1st May, our school council met with Sarah Owen our local MP. They gave her a tour of the school, and she was very impressed with our learning environment, the way the children conducted themselves, and the knowledge they shared.

The children had the opportunity to find out more about Sarah and her role, as well as ask and answer questions. It was clear that she is very keen to listen to pupil voices and take action on their ideas.

We are looking forward to inviting her back so that the rest of the school can get involved as well and we can continue to work with her to support positive changes.

Year 1 Phonics Screening Checks

Year 1 children will be sitting their Phonics Screening Checks on the week beginning 8th June. The year 1 Phonics Screening Check is a quick, one-on-one National assessment to determine if a child has learned to decode words using their phonics knowledge.

It consists of 40 words, some real words and some nonsense words that the child reads aloud to a teacher. The check helps identify children who might need extra support with their reading skills. Please can you ensure your child is present in school this week to ensure their phonics check can take place.

Wet the Teacher and Penalty Shoot Out Event

A reminder of our Wet the Teacher and Penalty Shoot-out events happening on Monday 18th May.

There will be a chance to "wet the teacher"! Children can have two turns for £1 - a great way to enjoy some fun before the May break begins. In addition, pupils can take part in a penalty shoot-out. For £1, they will have two attempts to score a goal against a teacher.

All money raised will go towards new school resources.

Pop Culture Badge-Making Workshop

Create Your Own Superhero-Inspired Badges

Kids dive into comics, animation and character design to create unique badges they can take home and show off. A hands-on, creativity-boosting session packed with imagination and fun.

Polite Parking

Please can we remind parents about the importance of parking safely outside our school. Please ensure you do not block or obstruct the entrance to our neighbours driveways or the gates in and out of Lady Zia Werner School.

Please do not:

- Block the road or the school gate - emergency vehicles and other traffic may need access
- Park opposite or within 10 metres of a junction
- Park on the pavement, across dropped kerbs or residents' driveways

Year 4 Warwick Castle Trip

Last week Year 4 had a wonderful time in the sunshine at Warwick Castle. They explored the grounds, looking at castle features, saw the enormous trebuchet, and watched the amazing bird show featuring condors, eagles and other birds of prey. What a fantastic day, thanks as always to the parents who supported us.

Did we mention...you're a Star!

Our children often do amazing things outside School and Leagrave Primary would like to celebrate the achievements that our children have accomplished. Well done to our superstars!

We are so proud of Sulaiman for his certificate that he received for helping clean up and pick up litter at the local park. Good job Sulaiman!

Leagrave Nursery

We currently have availability for children starting Nursery in 2026.

In September last year we were fortunate to secure funding from the government's School Based Nursery Capital Fund to enable us to expand our nursery and welcome more young members to our school community.

The expanded premises feature: purpose built learning rooms, a large outdoor play area, a sensory room and enhanced facilities for family engagement.

Enrolment for new spaces is now open and interested families are encouraged to contact the admission team on 01582 509531.
