### Headteacher's Corner

Dear Parents/Carers,

I hope you are feeling refreshed after the half term break, we now have a busy half term ahead of us. A quick reminder that our Year 1 pupils will be having their phonics screening checks next week. Please ensure your child is in school throughout this week, as they may complete their 1:1 assessment with Miss Scott at any point during this time.

A lot of time and effort goes into keeping our families informed of all the events happening within our school, so please ensure that you take time to read all letters and newsletters sent home to keep up to date with what is going on. If misplaced, all of our letters can be found on our website under Parents and News then Letters and Forms.

Now the weather is getting warmer, the children like to remove their jumpers/cardigans. Please can parents ensure all school uniform is labelled with your child's name to enable us to return lost items to their owners.

Kind regards,

Mrs E Gillespie  
(Headteacher)

### **Nursery Admissions for September 2026**

If your child was born between 1<sup>st</sup> September 2022 and 31<sup>st</sup> August 2023, there is still time to apply for a Leagrave Nursery place for September 2026.

Please visit our school website for details on how to apply.

### **Wet the Teacher and Penalty Shoot-out Event**

The children had a great time with the penalty shoot-out and wet the teacher event. It was lovely to hear all the laughter and see so many smiles.

We just want to say a huge thank you to all the parents for your £1 donations, allowing your child to take part. We raised an amazing £363!

Thank you for your continued support, events like this would not be possible without you all!

Let's talk about transition to high school

Please help us by allowing your child to take part in the survey below. Pupils can take part here:

<https://www.smartsurvey.co.uk/s/TheBigFuture/>

As schools and colleges return for the final weeks of the academic year, this is a valuable opportunity for children and young people to reflect on their experiences, share what matters most to them, and tell us about their hopes and ambitions for the future in their own words. The survey asks about the things they enjoy, the challenges they face, the changes they would like to see in their communities, and what they believe a good childhood should look like today. Thank you for your continued support.

## Our Community, Our Country, Our World

We have had a wonderful week, with all children throughout the school exploring and engaging in different Geography themed activities. They have spent time reading maps, exploring different areas of the world and carrying out their own geographical enquiries to understand the world around us, exploring so many different places, from Luton to Cornwall to France and Belize

The children have enjoyed adding pins to our World Map to show all of the places they have been to and we have also had some wonderful discussions from the photographs that children have sent in of them in their favourite places in our community, country and world.

It was so lovely to have some of the parents come into school to take part alongside the children. Thank you to everyone who was able to attend. It has been fantastic to see the enthusiasm, creativity and interest shown by the children and how our young geographers have been inspired to continue learning outside the classroom!

Children must never ride as passengers on e-scooter. It is unsafe, illegal, and puts both riders at serious risk of injury

This information sheet provides guidance on the current laws for e-scooters in the UK

## PARENT'S GUIDE TO

# ELECTRIC SCOOTER (E-SCOOTERS)

### WHAT ARE E-SCOOTERS?

- E-Scooters are classed as "Powered transporters". This term covers a variety of personal transport devices which are powered by a **Motor**.
- You can legally buy an e-scooter but **cannot ride it** on a public road, cycle lane or pavement.  
**ONLY PRIVATE LAND**

### DID YOU KNOW?

- E-Scooters are illegal for use in any public space unless rented as part of a government trial
- Riding an e-scooter on the road is against the law as per the Road Traffic Act of 1988 and the Highway Act of 1835
- E-scooters are prohibited from being used on cycle tracks, cycle lanes or other spaces dedicated to pedal cycle use.
- Privately owned e-scooter can only be ridden on private land.

**THEY ARE NOT TOYS!**

## Did we mention...you're a Star!

Our children often do amazing things outside School and Leagrave Primary would like to celebrate the achievements that our children have accomplished. Well done to our superstars!

We are so proud of Rayyan in Ladybird Class. He learnt how to ride his first pedal bike (without stabilisers) not long before completing a 3 mile charity event to raise money for water around the world. Good job Rayyan!

## Year 3 Science Museum Trip

Year 3 had an absolutely unforgettable day out at the Science Museum, exploring the hands-on Wonder lab and being completely blown away by the live Wonder Show! From racing down giant friction slides to watching jaw-dropping experiments come to life, the children were captivated from start to finish. They returned to school with big smiles, full minds, and a renewed love for science, representing our school brilliantly throughout the trip.

## Leagrave Nursery

We currently have availability for children starting Nursery in 2026.

In September last year we were fortunate to secure funding from the government's School Based Nursery Capital Fund to enable us to expand our nursery and welcome more young members to our school community.

The expanded premises feature: purpose built learning rooms, a large outdoor play area, a sensory room and enhanced facilities for family engagement.

Enrolment for new spaces is now open and interested families are encouraged to contact the admission team on 01582 509531.
